Alleged Man in the Case Denies All Knowledge of Affair, Puzzling Police.

NEW YORK, May 6.—The police of this city are puzzled tonight by a new turn taken in the case of Mrs. J. W. Gray, said to be the widow of a wealthy Chicago broker, who committed suicide in her apartment in the Imperial hotel today.

The woman left letters addressed to Charles H. Stoneham, telling him of her love and declaring his cruelty in a conversation with her over the telephone had induced her to take her life.

Stoneham Returns.

After being absent from his office at 44 Broadway all day, Charles H. Stoneham, a broker, returned to his office this morning. He is believed to have been the person to whom the letters were addressed, and so declared by the New York friends of the woman.

Never Heard of the Woman.

"I never heard of the woman," said he. He expressed ignorance of the suicide, and declared that the newspaper men brought him the first news he had received of the tragedy.

Denies Being in Hotel.

Mrs. Stoneham declined to discuss his whereabouts during the day. He was seen in the hotel, but he denied that he had ever been in the hotel Imperial here today. Mrs. Gray, he declared, had been in his home every night for many weeks.

Alfonso's Visit Is Bitterly Opposed

Pierce Opposition in Spain Over Imperial Assent to France's Policy in Morocco.

PARIS, May 6.—A cloud has arisen over the coming Anglo-French-Spanish celebrations attending King Alfonso's visit to France, owing to the bitterly hostile attitude of a large element of the Spanish press against the King giving this significant adhesion to France's policy in Morocco. The affair appears to be taking all the diplomatic sagacity of M. Cambon, the French ambassador to Spain, to avert a storm.

Would Commit Spain.

Both the Liberal and Republican elements in Spain contest the right of the Premier and Minister for Foreign Affairs to accompany the King on his mission, which they declare would commit the Nation to the support of the French Moroccan policy. They assert that the cortes not having approved of the King's visit to France, neither the Government nor the Ministers could take part in the conflict now agitating Berlin, Paris and Fez.

French View of Agitation.

The French view of the agitation is that the German campaign has for its object the revival of Sorel's dream of restoring her ancient authority over the Moors and thus giving Spain, instead of France, paramount influence in Morocco.

King Is Determined.

But, notwithstanding the press campaign favorable to Alfonso, King Alfonso, the Spanish premier and other ministers are resolutely determined to carry out the visit and participate in all its significant assurances of Spain's standing with France and Great Britain.

Delcasse May Yet Retire.

Despite official denials, the feeling prevails that M. Delcasse will not wish to retain the foreign portfolio much longer. The cabinet situation is no longer attributed to Morocco, but to a divergence of views concerning who should control French foreign policy.

Americans Attract Attention.

The new American embassy is the scene of much attention, as hereafter it will be the center of the official and social functions in which the American ambassador and Mrs. McCormick will participate. NOMINATIONS AT PORTLAND.

Fight in Republican Ranks May Make Three-Cornered Contest.

PORTLAND, Or., May 6.—Mayor George H. Williams was renominated for Mayor of this city by the Republican party in direct primary today by a plurality of 1,000. Dr. Harry Lane received practically the unanimous support of the Democrats.

Unusual interest was manifested today because this was the first direct primary election under the laws of 1903, and because there is a fight in the Republican ranks between the "open" and "closed" town elements. The former are said to have supported Williams and the "closed" town element now threatens to place an independent candidate in the field.

The Democrats aver that this will result in a three-cornered fight, in which Dr. Lane has more than an even chance to win.

There were six candidates for the Republican nomination.

While absent she visited her son, who is at Princeton, and her daughter at Ferry Hall, Chicago, and reports both of them as doing well.

Mrs. W. H. Williams arrived home yesterday from an extended visit in Michigan. She was accompanied by her son, Mr. Martin Priek, who formerly resided here.

ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

To Prove What the Great Kidney Remedy, Swamp-Root, will Do for YOU, Every Reader of "The Tribune" May Have a Sample Bottle Sent Absolutely Free by Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

I was out of health and run down generally; had no appetite, was dizzy and suffered with headache most of the time. I did not know that my kidneys were the cause of my trouble, but somehow felt that they might be, and I began taking Swamp-Root. There is such a pleasant taste to Swamp-Root, and it goes right to the spot and drives disease out of the system. It has cured me, making me stronger and better in every way, and I cheerfully recommend it to all sufferers.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and fatal results are sure to follow. Kidney trouble, restlessness, the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; make your head ache and back ache, cause indigestion, stomach and liver trouble, you get a sallow, yellow complexion, make you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

How to Find Out.

If there is any doubt in your mind as to your condition, take from your urine on rising about four ounces, place it in a glass or bottle and let it stand twenty-four hours. If on examination it is milky or cloudy, if there is a brick-dust settling, or if small particles float about in it, your kidneys are in need of immediate attention.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves who have kidney ailments, because they recognize in it the greatest and most successful remedy for kidney, liver and bladder troubles.

EDITORIAL NOTE.—So successful is Swamp-Root in promptly curing even the most distressing cases of kidney, liver or bladder troubles, that to prove its wonderful merits you may have a sample bottle and a book of valuable information, both sent absolutely free, by mail. The book contains many of the thousands upon thousands of testimonials received from men and women cured. The value and success of Swamp-Root is so well known that our readers are advised to send for a sample bottle. In sending your address to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say you read this generous offer in The Salt Lake City Sunday Tribune. The proprietors of this paper guarantee the genuineness of this offer.
